paramount in the shaping of early byzantine identity was the construction of the church of bagia sophia in constantinople 532 537 ce this book examines the edifice from the perspective of aesthetics to define the concept of beauty and the meaning of art in early byzantium byzantine aesthetic thought is re evaluated against late antique neoplatonism and the writings of pseudo dionysius that offer fundamental paradigms for the late antique attitude towards art and beauty these metaphysical concepts of aesthetics are ultimately grounded in experiences of sensation and perception and reflect the ways in which the world and reality were perceived and grasped signifying the cultural identity of early byzantium there are different types of aesthetic data those present in the aesthetic object and those found in aesthetic responses to the object this study looks at the aesthetic data embodied in the sixth century architectural structure and interior decoration of bagia sophia as well as in literary responses ekphrasis to the building the purpose of the byzantine ekphrasis was to convey by verbal means the same effects that the artefact itself

would have caused a literary analysis of these rhetorical descriptions recaptures the byzantine perception and expectations and at the same time reveals the cognitive processes triggered by the great church the central aesthetic feature that emerges from sixth century ekphraseis of hagia sophia is that of light light is described as the decisive element in the experience of the sacred space and light is simultaneously associated with the notion of wisdom it is argued that the concepts of light and wisdom are interwoven programmatic elements that underlie the unique architecture and non figurative decoration of hagia sophia a similar concern for the phenomenon of light and its epistemological dimension is reflected in other contemporary monuments testifying to the pervasiveness of these aesthetic values in early byzantium

the doctrine of the trinity is one of the cornerstones of christianity in jesus and the father kevin giles wrestles with questions about the trinity that are dividing the evangelical community what is the error called subordinationism is the son eternally subordinated to the father in function are the father and the son divided or undivided in power and authority is the father son spirit relationship ordered hierarchical or horizontal how should the father and the son be differentiated to avoid the errors of modalism and subordinationism what is the relationship between the so called economic trinity and the immanent trinity does the father son relationship in the trinity prescribe male female relationships in the home and the church kevin giles points out serious problems in the teaching that the son is eternally subordinated to the father and argues effectively for the full eternal equality within the trinity this book should be read by all who wrestle with the complex but crucial doctrine of the trinity millard erickson author christian theology by showing that subordinationism is a revival of a heresy that was systematically rejected by the non arian church the author reinstates the classical orthodox doctrine of the trinity in all its scriptural majesty and grandeur gilbert bilezikian professor emeritus wheaton college giles skillfully places before us the stark choice which each generation of theologians must face will we allow the bible to speak its message about the father son and holy spirit to us or will we use the bible to advance our own agenda this important book deserves to be widely read and carefully considered paul d molnar professor of systematic theology st john s university

the jewish people s historical claims to a small area of land bordering the eastern mediterranean are not only the foundation for the modern state of israel they are also at the very heart of judeo christian belief yet in the mythic past thomas thompson argues that such claims are grounded in literary myth not history among the author s startling conclusions are these there never was a united monarch of israel in biblical times we can no longer talk about a time of the patriarchs the entire notion of israel and its history is a literary fiction the mythic past provides refreshing new ways to read the old testament as the great literature it was meant to be at the same time its controversial conclusions about jewish history are sure to prove incendiary in a worldwide debate about one of the world s seminal texts and one of its most bitterly contested regions

this book offers an extensive historical philosophical and ethical discussion on the role of autonomous technologies and their influence on human identity by connecting those different perspectives and analysing some practical case studies it guides readers to dissect the relationship between machine and human autonomy and machine and human identity it analyses how the relationship between human and technology has been evolving in the last few centuries last it aims at proposing an explanation on the reason s why humans have been keen on developing their own autonomy s perfect avatar
